Galgiani, Cathleen Democrat http://sd05.senate.ca.gov/	Stockton, Modesto	District 5 SD 5 is based on nesting AD 12 and AD 13 and includes all of San Joaquin County and portions of Stanislaus and Sacramento Counties. The split in Sacramento County is a result of the southern city of Galt being included in this district, while the split in Stanislaus County reflects most of the city of Modesto being added to achieve population equality, along with the whole city of Riverbank and whole communities of Del Rio and Salida. The blending in this district allows for the city of Lodi to be reunited with San Joaquin County along with its sister city of Galt. Both of these cities share a common school district and other services between cities and across counties. This district is, also a result of the partial-district nesting between the Section 5 Merced County AD 21 and the Monterey County AD 30 for Section 5 Senate districts to the south. This district maintains the integrity of Valley floor communities and links Galt with Lodi, and the remainder of Stanislaus County with southern San Joaquin County.	**Capitol Office** State Capitol, Room 4082 Sacramento, CA 95814 Phone: (916) 651-4005 Fax: (916) 651-4905 **Stockton District Office** 31 E. Padilla, Alex Democrat http://sd20.senate.ca.gov/	Van Nuys	District 20 covers much of the San Fernando Valley. Due to redistricting, Senate districts have a unique issue that Assembly and Congressional districts do not have. Of the Senate districts established by the Citizens Redistricting Commission in 2011, only the odd-numbered districts went into effect for the 2012 election cycle. The new even-numbered districts will go into effect for the 2014 election cycle, and the even-numbered districts previously established by the 2001 redistricting will continue to exist until 2014. These unique circumstances create some areas of overlap between the old and new districts ("accelerated areas") and some areas without coverage ("deferred areas"). For the 2013-14 Regular Session of the Legislature, each accelerated area essentially has two Senators representing the area and each deferred area has none. The Senate Committee on Rules has assigned Senators to provide supplemental constituent services to deferred areas. This is a normal consequence of the redistricting process.	**Capitol Office** State Capitol, Room 4038 Sacramento, CA 95814 Phone: (916) 651-4020 Fax: (916) 651-4920 **District Office** 6150 Van Nuys Blvd., #400 Van Nuys, CA 91401 Phone: (818) 901-5588 Fax: (818) 818-901-5562 **Senator Padilla's District Office Staff** Roberto Negrete - District Director roberto.negrete@sen.ca.gov **Email form on website**
